RE: Tantramar Seniors' College

At its regular monthly meeting held December 21, 2009, Amherst Town Council declined a funding request made by the Tantramar Seniors' College for \$1,700 under the Town's Grants to Organizations Policy.

While the application was made to cover advertising, promotional and classroom costs for this expanding program, the request is outside the current Town policy and reaches beyond the financial assistance the Town is able to provide.

Council views the Tantramar Seniors' College as making a significant contribution to the community and looks forward to working with them to find alternate forms of support for their integral program within the Town of Amherst.
